between

**The Secretary of State
for Environment,
Food and Rural Affairs**

and

Canal & River Trust

THIS TRUST SETTLEMENT is made *[date]* between:

(A) THE SECRETARY OF STATE FOR ENVIRONMENT, FOOD AND RURAL AFFAIRS of Nobel House, 17 Smith Square, London SW1P 3JR ("**the Settlor**");

and

(B) CANAL & RIVER TRUST, a company limited by guarantee with its registered office at 64 Clarendon Road, Watford WD17 1DA, (Charity Number [] and Company Number 07807276) ("**the First Trustee**")

(together, "**the Parties**")

WITNESSES AS FOLLOWS:

1 INTRODUCTION

1.1 The Settlor intends to transfer a wide range of property currently held by the public corporation known as the British Waterways Board (together referred to as "the Waterways Property" in this Settlement) out of public ownership and into the charity trusteeship of the First Trustee, a company established in England and Wales, for the charitable purposes set out in its Articles of Association.

1.2 The Settlor intends to transfer those parts of the Waterways Property which are not the subject of this Settlement ("the Investment Assets") to the First Trustee and to its subsidiary community interest company [NAME, REGISTERED NUMBER] as their corporate property on terms that provide for the protection of the Investment Assets during the subsistence of the Grant Agreement or any extension continuation or replacement of it.

1.3 The Settlor and the First Trustee have agreed the framework for the funding of the First Trustee, by means of a Grant Agreement of [DATE] ("the Grant Agreement") which includes provision for the appointment of a Protector ("the Protector"), who shall have the right to monitor the

management by the First Trustee of the Investment Assets, and which establishes an escalation procedure in the event of concerns in that connection which culminates in delivery of a "non-compliance notice" by the Protector to the Settlor; they have also agreed further terms relating to the role of the First Trustee and the operation of the Grant Agreement by means of a non-binding Memorandum of Understanding of [DATE] ("the Memorandum of Understanding").

- 1.4 In addition to the Investment Assets referred to at Clause 1.2 above, the Settlor has identified certain parts of the Waterways Property (as set out in the Schedule to this Settlement) which it intends to transfer to the First Trustee to hold permanently for the benefit of the public ("the Infrastructure Property"), for the purposes and on the terms set out in this Settlement. As the first part of the Infrastructure Property the Settlor has paid to the First Trustee the sum of £10 and wishes to declare the trusts set out in this Settlement concerning the Infrastructure Property.
- 1.5 The Settlor intends to effect the transfer of the Waterways Property, including the Infrastructure Property, by means of a Scheme ("the Transfer Scheme"), under the authority of the Public Bodies Act 2011. The Transfer Scheme (and any associated documentation issued by the Settlor) will identify the Infrastructure Property for the purposes of this Settlement.
- 1.6 Both Parties envisage that the sole Trustee of this Settlement shall initially be the First Trustee and that the directors of the First Trustee shall act collectively (in accordance with the Articles of Association of the First Trustee) to properly exercise the powers and responsibilities conferred by this Settlement. Nevertheless, at Clauses 4.3 and 4.4, this Settlement provides for the Settlor to appoint an additional or replacement Trustee. In addition, the Settlor is to have certain entrenched rights within the Articles of Association of the First Trustee.

1.7 Compliance with the terms of:

1.7.1 this Settlement (and, in particular, the provisions contained in Clause 2, which the Settlor hereby confirms are fundamental to the purpose and the spirit of this Settlement);

1.7.2 the Grant Agreement; and

1.7.3 any other agreements between the Parties which both parties agree to be fundamental to this Settlement;

shall in each case be a fundamental condition of Trusteeship of this Settlement.

1.8 Further money or property may be paid or transferred to the Trustee for the purposes set out in this Settlement.

1.9 The name of this Settlement shall be **The Waterways Infrastructure Trust**.
